

## Chocolate Covered Pretzels

### INGREDIENTS

pretzel rods  
8oz semisweet chocolate chips, melted  
8oz white chocolate chips, melted  
sprinkles of your choice

### DIRECTIONS

Line two baking sheets with parchment paper.  
One at a time, dip pretzel rods into either the semisweet chocolate or the white chocolate, using a spoon to coat as much of the pretzel as possible.  
Quickly sprinkle the topping of your choice over the chocolate before it dries.  
Do this over a bowl to catch the remnants of toppings.  
Place the pretzels onto the parchment paper to dry.  
Bag up in clear cellophane gift bags and tie with festive ribbon.
